### CEO'S MESSAGE MAURICE WOODS

Dear Easterseals South Florida Board of Directors:

Our 2022 Small Miracles Luncheon was one for the books! Thanks to the generous support of our corporate partners and community pillars, we were able to surpass our revenue goal of \$135,000 - including \$25,000 raised during the live ask alone! Thank you all for being there to make this beloved event incredibly special. It was wonderful being back in person again with so many engaged donors and guests. As you know, SML helps raise vital unrestricted funds to support our agency's operational needs, and your unwavering commitment to its success year after year is deeply meaningful and appreciated.

With gratitude,  
Maurice
